

Voices for Safety Flow Chart for Teachers

1. Complete certified facilitator training
2. Review the curriculum and Certified Facilitator Guide, view the website to become familiar with the additional parent/caregiver and teacher materials
3. Send parent/caregiver permission slips 10 days in advance of beginning the program and follow-up with parents as needed
4. Conduct Lesson 1 and provide children with take home information sheet, encouraging sharing with their parents/caregivers. Repeat through to Lesson 14
5. Observe the children's overall reaction to each lesson. Share any unexpected observations or concerns regarding specific children with resource professionals
6. Make note of any questions or comments from parents with regard to the program
7. Share your observations of the lessons and any feedback on the teacher forum
